Accreditation program

Code of Conduct

18 points

Professor
Dr. Ihsan M Ajeena
Consultant Neurophysiologist
NCAMC member
Faculty of Medicine – University of Kufa
1- The visiting team **must follow** this code of conduct.

At any period of this process, the mentor from the NCAMC is available for consultation.
11- Within subsequent visits, the team should monitor the developments in the college educational program. The team must have an idea about the previous visit, regarding the achievements of the college at that stage.
Thank You!
