

## Curriculum Vitae

**Name:** Ihsan Mohammad Abud Ajeena

**Gender:** Male

**Marital state:** Married

**Place and date of birth:** Iraq – Babylon (1974)

**Nationality:** Iraqi

**Post office address:** Iraq– Najaf– Kufa P.O. Box (18)

**Home land address:** Iraq– Najaf – Al-Saad Quarter

**Work address:** Faculty of Medicine – University of Kufa

**E mail:** [ihsan.ajeena@uokufa.edu.iq](mailto:ihsan.ajeena@uokufa.edu.iq)

**Mobil phone no. :** +964 (0) 780 123 4074

**Last academic degree:** Doctor of Philosophy (2008)

**Specialty:** Physician, MBChB (1998)

**Subspecialty:** Clinical neurophysiology, Iraqi Board of Medical Specialization

**Titles:**

- *from MoHESR:* Professor of Clinical Neurophysiology
- *from MoH:* Consultant of Clinical Neurophysiology

### Scientific and academic professions:

- 1- Well trained on PSG and sleep EEG, CADWELL lab., Washington state / USA.
- 2- Well trained in electroneurogram and electromyogram as neurophysiologist.
- 3- Well trained in medical education and academic accreditation of medical colleges.
- 4- Well trained with good fluency in English language and passed the required Iraqi test.
- 5- Well trained in Medicine and Surgery with all their branches as a general practitioner.
- 6- Well trained in Computer works and trained in getting use of the Internet for the scientific purposes and passed the required Iraqi test.

### Academic degrees:

- 1- PhD, Clinical Neurophysiology, very good graduation grade, Faculty of Medicine, Baghdad University, 2005-2008.
- 2- MSc (neurophysiology), very good graduation grade, Faculty of Medicine, Baghdad University, 2000-2002.
- 3- MBChB, good graduation grade, Faculty of Medicine, University of Kufa, 1992-1998.

**Thanks and Appreciation certificates:**

- 1- Six from the Minster, Higher Education and Scientific Research.
- 2- Five from Head, Supevision and Scientific Evaluation Apparatus
- 3- Six from President, University of Kufa.
- 4- One from President, Al- Qadisiya University.
- 5- Twelve from Dean, Faculty of Medicine, University of Kufa.
- 6- Two from Dean, Faculty of Medicine, Al-Qadisiya University.
- 7- One from Dean, Faculty of Medicine, Wasit University
- 8- One from Dean, Faculty of Medicine, Babylon University
- 9- One from Dean, Faculty of Medicine, AL-Ameed University
- 10- Two from Head of Al-Sader Teaching Hospital, Al- Najaf Health Directorate.
- 11- One From Head, Al-Furat Al-Awsat Teaching Hospital

**Membership in national and international associations:**

- 1- General secretariat of the Iraqi branch of the International Federation of Clinical Neurophysiology (IFCN) (2010 - now).
- 2- Member and Deputy Head/ Iraqi Clinical Neurophysiology Society from 2010 till now.
- 3- Member of The Scientific Committee/ Board of Clinical Neurophysiology.
- 4- Member of the International Iraqi Medical Association.
- 5- Member of the Iraqi Medical Syndicate.

**Society services:**

- As Consultant of Clinical Neurophysiology, severs at the Neurophysiology Unit/ Teaching Hospital/ Al-Najaf Al-Ashraf since 2003 then at the middle Euphrates Neuroscience Center for more than 10 years, helping in the diagnosis aiming to improve management.
- As a Professor, help to improve the Medical Education within the Faculty of Medicine as a part of the team aiming for better outcomes of competent doctors to improve health services.
- As a member of the National Council for Accreditation of Medical Colleges, helps to improve the compliance of the Medical Colleges to the National Standards of Accreditation since 2015, aiming to improve the outcomes for better health services.

**Scientific conferences, symposium, seminars and workshops:**

- Participate as a member in the editorial board of many scientific international journals like Journal of Clinical Neurophysiology and Journal EC Neurology and many others.
- Participate in a lot of scientific conferences, symposiums, seminars and workshops at the medical college, the university and at the teaching hospital. These participations were done inside and outside the governorate, inside and outside the country. Most of these activities were in the field of specialty and medical education and continuous development programs. Represent the Kufa medical college in many workshops and conferences especially those related to academic accreditation of medical colleges.

**Places of work and positions:**

- **2021 - now:** Editor in Chief, Kufa Medical Journal

- **2018 - 2022:**

- 1- Council member \ Faculty of medicine, University of Kufa (UOK)..
- 2- Head, Physiology Dept., Faculty of medicine, UOK.
- 3- Head, Scientific Committee, Physiology Dept., Faculty of medicine, UOK.
- 4- Head, Postgraduate Committee, Physiology Dept., Faculty of medicine, UOK.
- 5- Head, Postgraduate research lab., Faculty of medicine, UOK.

- **2015 - now:**

- 1- Member of the National Council for Accreditation of Medical Colleges (NCAMC), Ministry of Higher Education.
- 2- Member of The Scientific Board of Clinical Neurophysiology, Iraqi Board of Medical Specialization.
- 3- Head\ Research lab. of Cardiophysiology and Neurophysiology, Faculty of Medicine, UOK.
- 4- Member of the scientific committee, Physiology Dept., Faculty of Medicine, UOK.

- **2010 - now:**

- 1- Teaching Member, Physiology Dept., Faculty of Medicine, UOK.
- 2- Senior neurophysiologist, Neurophysiology Unit, MENCS, Al-Sader Medical City.
- 3- Faculty representative and connecting member, National Accreditation Committee for Iraqi Medical Faculties (Till 2015).
- 4- Member of the Accreditation Steering Committee, Faculty of Medicine, UOK.
- 5- General secretariat, Iraqi Clinical Neurophysiology Society, a member of the International Federation of Clinical Neurophysiology - IFCN.

- **2006 - 2010:**

- 1- Deputy Head, Physiology Dept., Faculty of Medicine, UOK (2008-2010).
- 2- Teaching Member, Physiology Dept., Faculty of Medicine, UOK.
- 3- Visiting senior lecturer, Physiology Dept., Faculty of Nursery, UOK (2009–2010).
- 4- Senior Neurophysiology, Neurophysiology Unit, Al – Sadder Teaching Hospital.
- 5- Member of The Head Accreditation Committee, Faculty of Medicine, UOK.
- 6- College representative and connecting member, National Accreditation Committee for Iraqi Medical Faculties.
- 7- Visiting senior lecturer, Physiology Dept., Faculty of Medicine, Al-Qadisiya University (QU) (2006-2008).

- **2002 - 2006:**

- 1- Deputy Head, Physiology Dept., Faculty of Medicine, QU.
- 2- Head of physiology Unit, Physiology Dept., Faculty of Medicine, QU.
- 3- Teaching Member, Physiology Dept., Faculty of Medicine, QU.
- 4- Senior Neurophysiologist\ Neurophysiology Unit\ Al – Sadder Teaching Hosp.
- 5- Senior lecturer\ Faculty of Medicine, UOK (2003 – 2004).

**- 2000 - 2002:**

Training on EMG & ENG, Baghdad Teaching Hosp. (Medical City) & Hosp. for specialized surgeries (during the M.Sc. study)

**- 1998 - 2000:**

Resident doctor (full courses training), Teaching Hospitals, Najaf.

**Supervision and participation in examining and debate committees:**

- Supervise many postgraduate students applying for different academic degrees like Ph.D., M.Sc. and Diploma in the medical fields related to Neurophysiology.
- Participate in many examining and debate committees that test the fulfillments of the fellowships at the Iraqi Board for Medical Specialization and for MSc proposals and PhD dissertations in Clinical Neurophysiology.

**Editing books:**

- 1- As academic reference, a book titled (The Manual of Self-Assessment Study, Evidence Generation). Printed in Iraq and legislated at the Iraqi Home of books and documents in Baghdad (No. 3727) in 2021.
- 2- As academic reference, a book titled (Iraqi National Standards for Accreditation of Medical Colleges). Printed in Iraq and legislated at the Iraqi Home of books and documents in Baghdad (No. 3038) in 2019.
- 3- As academic reference, a book titled (A Guide for Accreditation of Medical Colleges, Iraq). Printed in Iraq and legislated at the Iraqi Home of books and documents in Baghdad (No. 1188) in 2019.
- 4- As Clinical Neurophysiology reference, a book titled (Advances in Neurophysiology). Printed in Croatia 2013\ by InTech Prepress, Novi Sad\ ISBN: 978-953-51-0806-1\ Web page: [www.intechopen.com](http://www.intechopen.com) as a reference book in Neurophysiology.

**Researches:**

- 22- Transthyretin Gene Mutation Associated with Familial Carpal Tunnel Syndrome in Sample of Iraqi Patients.  
..... ACTA INFORM MED. 2021 JUN 29(2): 101-105. DOI: [10.5455/aim.2021.29.99-103](https://doi.org/10.5455/aim.2021.29.99-103)
- 21- Diagnosis of carpal tunnel syndrome: The role of RANTES.  
..... NeuroQuantology. 2021, 19(4): 65-70. DOI: [10.14704/nq.2021.19.4.NQ21038](https://doi.org/10.14704/nq.2021.19.4.NQ21038)
- 20- How transcutaneous electrical nerve stimulation (TENS) improves fertility in healthy women, the role of estradiol hormone.  
..... International Journal of Pharmaceutical Research, Vol. 11(2): 2019

- 19-** Impact of transcutaneous electrical nerve stimulation (TENS) on endometrial thickness in healthy women, a step to improve female fertility.  
..... Published in J Contemp Med Sci, Vol. 4 (2): 2018
- 18-** The association of methylenetetrahydrofolate reductase (MTHFR)/C677T polymorphisms (gene mutation) with the development of peripheral neuropathy in type 2 diabetes mellitus.  
..... Published in Babylon Medical Journal, Vol. 13 (2): 2016
- 17-** The duration of Type 2 DM as a risk factor for the occurrence of peripheral neuropathy.  
..... Published in Babylon Medical Journal, Vol. 13 (3): 2016
- 16-** The utility of ring finger median-ulnar sensory difference in the early diagnosis of carpal tunnel syndrome  
..... Accepted for presentation at the ECCN congress\ Brno\ Check Republic. 2015
- 15-** Clinical and urodynamic study of adult female patient with urinary incontinence.  
.....Published in Iraqi JMS, Vol. 13 (2) 2015
- 14-** The prevalence of cardiac autonomic neuropathy in pure type 2 diabetic patients.  
..... Published at Journal of Natural Science Research. Vol 4, No 22 (2014)
- 13-** Association between cardiac autonomic neuropathy and echocardiography in type 2 diabetes mellitus.  
..... Published at Babil Medical Journal, Vol. 12 (1) - 2015
- 12-** Ultrasonic assessment of females with carpal tunnel syndrome proved by nerve conduction study  
..... Published at Neural Plasticity (Impact factor 2.864). Article ID: 754564. 2013
- 11-** Antiatherosclerotic potential of clopidogrel: antioxidant and anti-inflammatory approaches.  
..... Published at BioMedical Research international (Impact factor 2.888). Article ID: 790263. 2013
- 10-** Prevalence of neuromuscular abnormalities in newly diagnosed patients with thyroid dysfunction  
..... Published at American Journal of Research Communication Vol. 1 (3) - 2013
- 9-** The electroencephalographic and visual evoked potential studies in newly diagnosed patients with thyroid dysfunction.  
..... Published at Journal of Babylon University Vol. 20 (7) - 2012
- 8-** Factors that affect subclinical carpal tunnel syndrome during pregnancy period.  
..... Published at Kufa Medical Journal Vol. 15 (1) - 2012

- 7- Role of Neurophysiology in predicting poor outcome in Bell's palsy.  
..... Published at Kufa Medical Journal Vol. 12 (2) 2009
- 6- Electrophysiological study of peripheral nerves in hypertensive patients  
..... Published at Kufa Medical Journal Vol. 12 (1) - 2009
- 5- Effect of hypertension on diabetic peripheral neuropathy.  
..... Published at Journal of Faculty of Medicine - Baghdad Vol. 50 (2) - 2008
- 4- Electrophysiological study of the effect of posture on the sympathetic skin response  
in normal subjects and diabetic patients  
..... Published at Kufa Medical Journal Vol. 11 (1) - 2008
- 3- The effect of renal transplantation on uremic peripheral neuropathy.  
..... Published at Journal of Faculty of Medicine - Baghdad Vol. 48 (1) - 2006
- 2- The importance of assessing some F- wave parameters in the early detection of  
diabetic peripheral neuropathy  
..... Published at Kufa Medical Journal Vol. 9 (1) - 2006
- 1- Evaluation of the effect of single session of hemodialysis on uremic peripheral  
neuropathy.  
..... Published at Kufa Medical Journal Vol. 7 (1) - 2004
