

Accreditation

Self Assessment Study

SAS

5 Slides

Professor

Dr. Ihsan M Ajeena

Consultant of Clinical Neurophysiology

NCAMC member

Faculty of Medicine – University of Kufa

Objectives

These few slides to share main objectives with you:

- **Why Do We Need Accreditation ?**
- **How to Get Accreditation ?**
 - General steps ...
 - Steps the college must do ...
- **Self Assessment Study**
 - How to do it...

Why do we need Accreditation ...

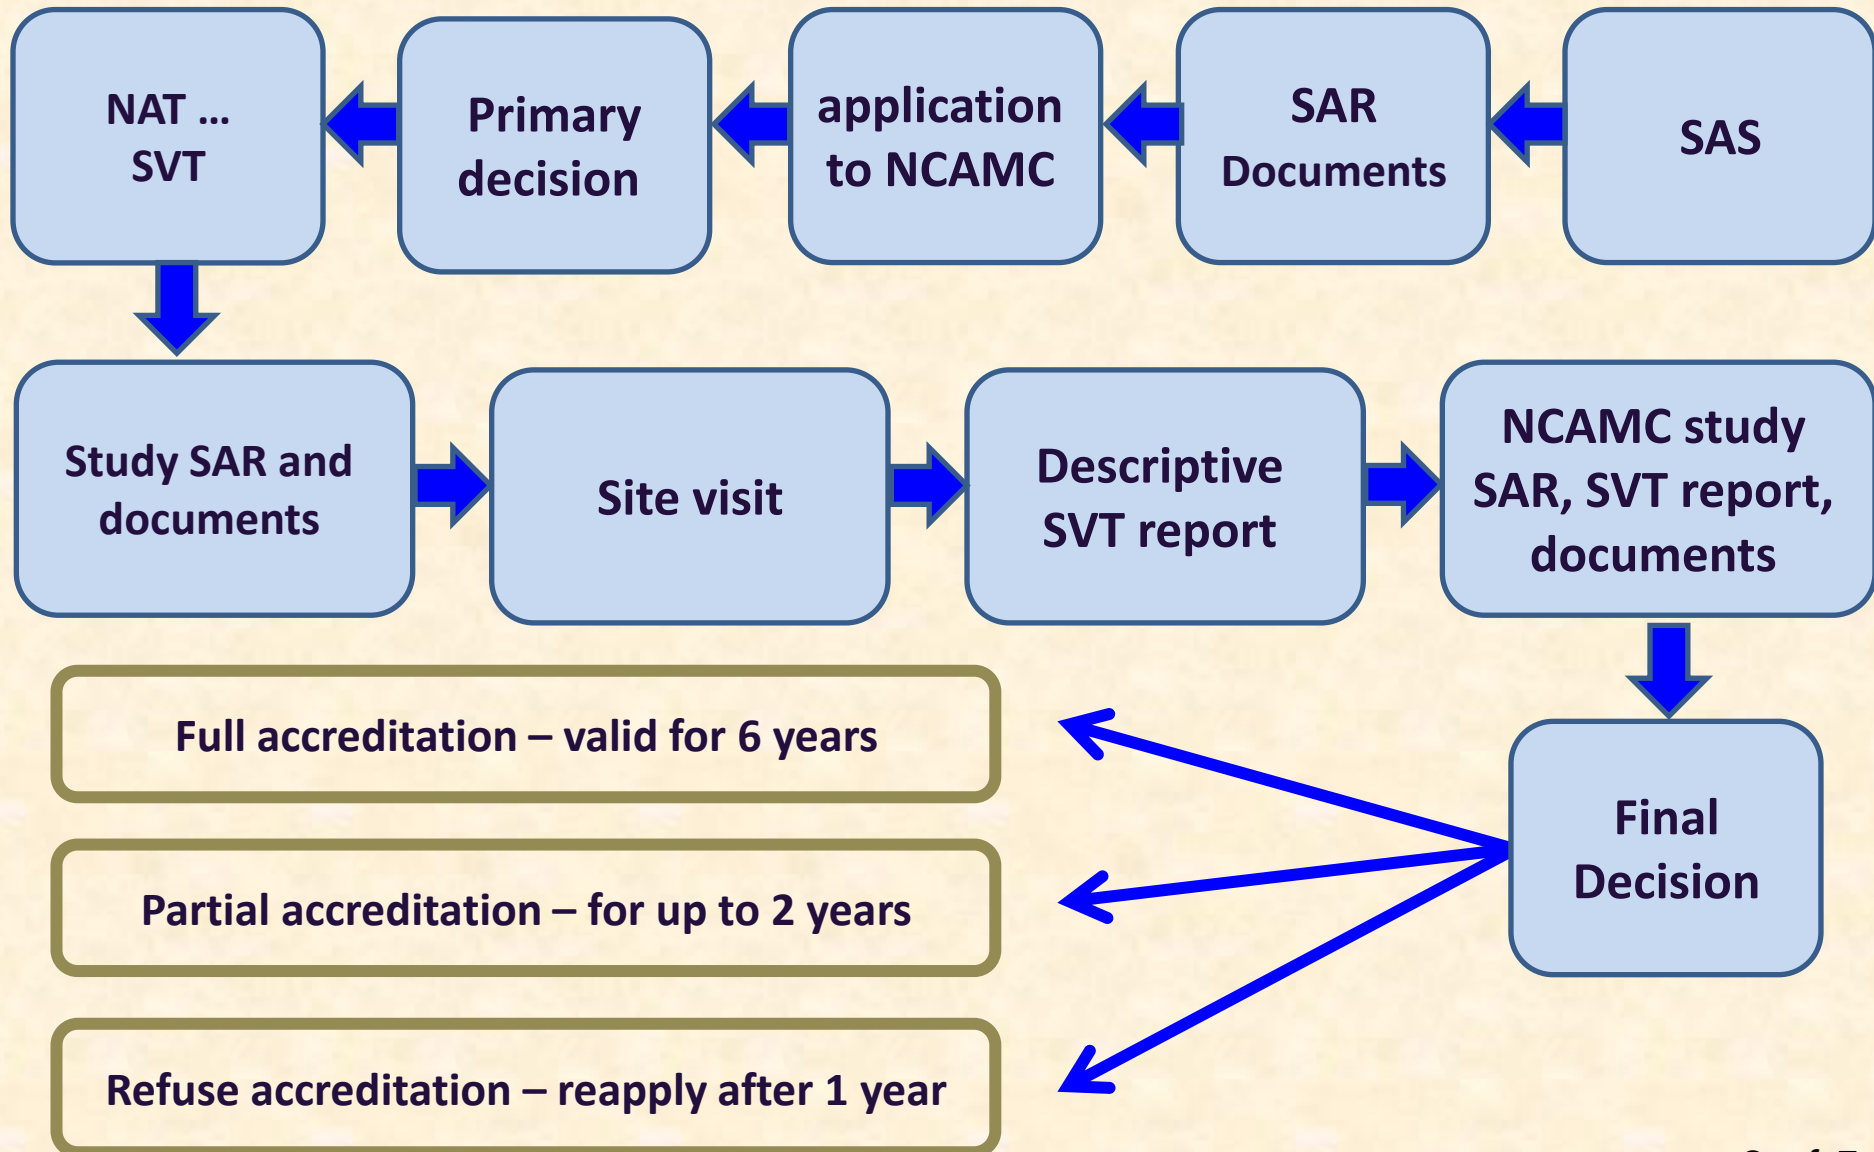

- 1- increase confidence in the outcomes
- 2- ensure basic requirements
- 3- for licensing ...

Should put in mind that Accreditation is

A CONTINUOUS PROCESS

NOT FOR GRADING COLLEGES

General steps for accreditation

Steps the college must do ...

1- Self assessment study (SAS)

2- Self assessment report (SAR) & Documents

3- Application to the NCAMC

Self assessment study (SAS)

Why

- To see where the college is (SWOT) ...
- Put a plan for development ...
- To follow up this plan ...

Committees

For each area & SC & HC

- High authority ...
- Dedication ...
- Comprehensive awareness ...

Team work

For each standards

- Awareness campaigns ...
- Whole college as one team ...
- Continuous efforts ...

Documents

For each activity

- Different types ...
- Indexing ...
- Updating ...

Presence --- Application --- Effectiveness

Good Luck ...
